A GUIDE TO FIRST NATIONAL SAVINGS BANK ON THE WORLD WIDE WEB

Internet Banking Services — Customer Reference Card — 1997

First National Savings Bank is pleased to offer our valued customers secure, convenient access to their accounts through the World Wide Web. Our Internet Banking portal — accessible from any personal computer equipped with a modern web browser and a dial-up or direct Internet connection — brings the services of your local branch directly to your home or office, seven days a week.

GETTING STARTED

To access Internet Banking you will need a personal computer running Windows 95 or later (or a compatible operating system), a web browser such as Netscape Navigator 3.0 or Microsoft Internet Explorer 3.0 (or newer), and an active Internet connection through an Internet Service Provider of your choice.

AVAILABLE SERVICES

- View current balances for checking, savings, and money market accounts
- Review up to 90 days of transaction history
- Transfer funds between your FNSB accounts
- View loan balances and upcoming payment due dates
- Download account statements for use with personal finance software
- Send secure messages to a customer service representative
